*T*he four years in high school have each seen us through four seasons of activity outside and in the classrooms. From the fall registration to the summer graduation, each season lends its flavor to the students' work and play. So with Nature's four annual scenes as a background for its yearbook, the Senior class of 1916 presents the activities of its last year, hoping to capture the spirit of each season in order to preserve the memories of high school days.

Dedication

With deepest appreciation and gratitude, we the Class of '46 wish to dedicate our *Reveille* to you, Kathleen Goetten. Because of your perseverance and constant guidance, we have been able to achieve notable success in our activities throughout our Senior year. . . . Your untiring efforts as *Courier* adviser have been greatly responsible for the high standard of workmanship of our school paper, and your excellent management will long be remembered by those who worked with you. . . . As our History teacher, you have embedded in our minds the responsibilities that we as citizens and future voters of our country must hold. . . . The principles which you have endeavored to instill in us, both spiritually and mentally, will tend to act as guides for us throughout our lives.

Miss Kathleen Goetlen

MR. LOUIS J. CALLAN
Vice-Principal

Appreciation

For the last fifteen years, Mr. Louis J. Callan has been an integral part of WHS faculty, having organized the present industrial arts program, acted as vice-principal, and guided the Safety Patrol as adviser.

Because of his outstanding record as a teacher at WHS, Mr. Callan was selected to head the Woodworking Department at Buffalo State Teachers' College, his Alma Mater—a signal honor, indeed.

We have come to know Mr. Callan as a true sportsman—on the tennis court, in the field, as well as in his relationship with the students through classes, clubs, and attendance records.

We will long remember Mr. Callan for his work done on student play productions. Many curtains would never have gone up if Mr. Callan had not willingly aided in constructing attractive stage sets.

We appreciate the many things you have done for the school and especially for the Class of '46. We thank you, Mr. Callan, and wish you success in your new responsibilities.

Senior Message

Interest in games, especially winning them, is keenest for those who participate. Making a touch down or scoring a basket or a homerun furnishes a thrill which really makes the game worthwhile. The player's success in the great moment when he scores is made possible by certain factors which are too easily and too often overlooked. Rigid training and constant drill form the very foundation of athletic success. Coaches have ever insisted that the players do only those things which would put them and keep them in trim to win.

Thus, in the greater game of life, you are passing through a very important training period. Your teachers, parents, and others, are co-operating to fit you for the great contest. Sometimes the sacrifices you are called upon to make seem too great, the discipline too severe, yet only the well trained can win the victory.

Commander Byrd scored a telling touchdown when he made a successful flight to the South Pole, but he could never have succeeded had he not given strict heed to fitting himself and to preparing carefully for the expedition. One of his biographers wrote: "This great achievement was no accident. Commander Byrd knew the value of training and of preparation."

Another factor blocking interference is important in making a touchdown. Thus in life the mendacious forces appear in your effort to go forward. You may already feel their impact. Your inability to break up bad habits and questionable associations may cost you the game.

But even blocking interference is not enough. Sometimes the only way to success will be to go right through the line, plugging away persistently and conscientiously. Theodore Roosevelt phrased this thought well when he said, "Hit the line hard. Don't foul. Don't shirk."

His own life was a complete victory well won by keeping the lines by overcoming interference and by playing the game with all of his strength. Grantland Rice, another great sportsman, has said of life:

'Let's play it out as if it were a sport
Wherein the game is better than the goal
So when the battle has been lost or won
The world at least can say, 'He played the game.'"

Webster's eleven of 1945 merited success by sports enthusiasts for three game and nine coop victories, three set-backs. . . . Squad coached by Herbert Hatt with assistance of Nate Perry. . . . Corky Ver Crouse, elongated back, and Alfred Abel, stout line-backer. All-County men, chosen for their respective running and catching ability and superb line defense. . . . Entire team credited with much field and willingness to cooperate in all games. . . . Fairport center recorded as the "thriller" of the season—sparked by a 31 yard dash by Dick Harris as scant seconds of playing time remained. Final score 6-0. . . . Outstanding exhibition of playing skill demonstrated against the formidable Baysiders. WHS crinkled up 32-0 conquest although playing on muddy field. . . . The success of team greatly due to formidable defense furnished by the 170 lb. line together with speedy and high stepping backfield. . . . Much praise warranted to coaches and players for their tireless and grueling work done while training and participating in the season games.

Winter

Varsity Squad

Ten consecutive victories won First half championship of Monroe County League gained by hard-working, co-operative, courageous group. Bruce Hegedorn and Corky VerCrouse voted as honorary captains. Height advantage—Corky VerCrouse, 6'5", Gary Hegedorn, 6'2", Bill Basch, 6'2". Duane Hegedorn and Lew Englehart added speed, scrum, and defensive ability. John Martin, Leo Schurch, Ned Tucker, and Leo Smith subbed Sixteen league and non-league victories won—Three defeats received at hands of East Rochester. Play off lost to Pano-towners 22 cost Ridgemen the Monroe County crown Most thrilling encounter with Brighton—WHS squad annexed 31-16 victory. Corky VerCrouse and Gary Hegedorn proved sources of scoring punch with 267 and 204 points respectively Both chosen for All County team for their Team cooperation, sportsmanship, and all-around playing ability Appreciation and gratitude shown to Coach Nate Perry for his outstanding work with the team '45 and '46 season acclaimed most successful in years.

Jay-Vee Basketball

Jay-Vees, a war casualty, revived in 1944-46 basketball season by Coach Herbert Hatt, newly arrived athletic director to W. H. S. Formed principally for priming boys for varsity bids in the coming years Maintained high winning average, annexing ten victories and eight defeats. Bill Chase, center; Deke Bell and Frank Mack, forwards; Jack Kleinhammer and Dick Harris, guards included in starting line-up Scoring punch usually provided by Chase with other members outstanding for play-making and defensive ability First Jay-Vee game with Spencerport credited with being the most exciting, both from players' and spectator's standpoint. Ridgemen dropped the contest in a thrilling 48-41 finish Squad heralded as fighting, never-say-die outfit Several members to be promoted to varsity in coming year for work done on this year's successful squad.

*A Good Friend
And Neighbor*

ROCHESTER GAS and ELECTRIC COMPANY is interested in the progress and prosperity of this area. It pays large sums in taxes to local, state and federal governments. It contributes substantially to community projects and both company and men and women workers support every activity that benefits this region. In short, the R. G. & E. tries to be a good friend and neighbor of the people it serves.

ADVERTISERS: Increased cost of labor and materials, and postwar limitations would have shown a serious effect on the 1946 yearbook had it not been for you, our advertisers. You have enabled us to carry on despite the obstacles placed before us in compiling this yearbook. Especially grateful are we to those advertisers who so generously relinquished space and accepted the advertising arrangement designed to conserve paper.
